Chandigarh (Face2News)

The Punjab Rural Development & Higher Education Minister Mr. Tript Rajinder Singh Bajwa, today released the book 'Emerging Issues in India' edited by Ravinder Singh Assistant Professor, Department of Political Science, Nehru Memorial Govt. College, Mansa here at his official residence.

Speaking on the occasion Higher Education Minister said that India has been facing a lot of challenges to stand in the line of developed countries in this era of globalization. If the thinkers, researchers and the considerate people come forward, a proper and solid solution of such problems can be found out.

He said that such studies published in the shape of books are document for the teachers, intellectuals, literary men and which are also very useful for
