

## **BEST PRACTICES AND ONE AREA DISTINCTIVENESS (2021-22)**

### **Practice 1**

- **Title of the practice:** Celebrating National/International Commemorative days and Festivals.
- **The objective of the practice:** To make the students aware of the concerned great personalities and events.
- **The context:** Significance/Contribution/Importance of the concerned personality or event from the social or historical aspect.
- **The practice followed in the college:** The real purpose of education is the all round development of personality of the students. To fulfill this purpose, the institute celebrates National/International/Commemorative days and festivals with great zeal and zest. To make the students get familiar with their national and international heritage and the great and eminent personalities, they are told about the contribution of these personalities to the society or the significance of the concerned events or festivals. The college celebrates National Voters Day, Republic Day, International Mother Language Day, International Women Day, World Environment Day, International Yoga Day, Independence Day, Teacher's Day, Hindi Diwas, Gandhi Jayanti, National Unity Day, Constitution Day, World AIDS Day and the festival of Lohri and Diwali.
- **Evidence of success:** Students understand the value of these days and participate in the celebration with great zest and zeal.

### **Practice 2**

- **Title of the practice:** Sanitization and vaccination programmes.
- **The objective of the practice:** To ensure the safety of students and staff.
- **The context:** Bringing students back to the campus keeping in mind the instructions of the government and following the strict covid protocols.

- **The practice followed in the college:** The college organised 3 covid vaccination camps keeping in mind the security of staff and students.
- **Evidence of success:** Social distancing and cleanliness were maintained.
- **Problems encountered:** Sitting plan in classes, labs, and library with physical distancing, Regular monitoring of health and hygiene, Vaccination hesitancy and fake rumours.

### **Practice 3**

- **Title of the practice:** Formation of Tutorial Groups.
- **The objective of the practice:** Sound interaction with students.
- **The context:** Counselling of students regarding their problems, duties and responsibilities and their talent.
- **The practice followed in the college:** Students are divided into small tutorial groups. One group is assigned to one teacher. During the tutorial class, the students discuss their problems with the teachers and find solutions. The students participate in various activities and their hidden talent is found out by the concerned teacher. Besides it, the students are counselled regarding various social evils and their rights and their responsibilities towards their family, college and society. They are motivated to stay away from drugs and plant at least one plant on their birthday.
- **Evidence of success:** Better bond between students and teachers. Students contribute in all the activities and functions of the college and in making and maintaining the environment Green and clean.

### **ONE AREA DISTINCTIVENESS**

**Effective Teaching Learning:** The college is the only co-education government institute of the district. As it lies in the semi-urban area, most of the students come from rural background. To make the teaching-learning effective, specific strategic

measures have been followed during the session. Consequently, the results of all classes are extremely good and the pass percentage of the students of the college is much higher than the university pass percentage. As a very big stadium is situated in the college and the subject of physical education is being taught here, the students actively participate in sports activities at zonal, district, state, University and inter university level. Extension lectures, seminars and Ru-bru programs are organised by the college to add to the knowledge of students. To make the students socially committed, plays and street plays, cleanliness camps, and rallies regarding stubble burning are organised by the college. Various commemorative days and festivals are celebrated in the college to make the students familiar with their heritage. Students are motivated to keep the environment green and clean. Many students of the college clear competitive exams. Thus, the institute tries its best to impart quality education to the students accounting for their holistic development.
